UV Light can damage the eyesight if looking directly at the UV lamp. Do not use the purifier if the top cover broken or loose.

VIII. SPECIFICATION

Dimensions	68mm X 185mm
Power Supply	DC 5V / 1A
Rate Power	< 3W Max
Noise	< 45dB
Fan Speed	1800~4500 RPM
HEPA Filter Grade	HEPA H13
UVC Light	200~275 nm
Air Quality Sensor	Built-In
CADR	18 m ³ /h
Applicable Space	< 3 m ³
Opreation Method	Auto or Touch Key
Outer Housing	Aluminum Alloy
Net Weight	396g
Included	1- Cig Charger
	1- User manual
	1- HS-AP30 Main unit
	1- HS-HP18 Filter

Color option:

Black

Silver
